

# Plank In-Style

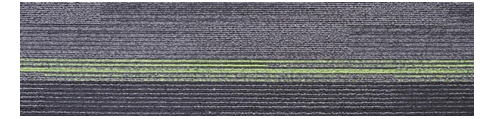

PS8166 Energetic

PS8189 Vigour

PS8153 Lively

PS8130 Pulsing

PS8223 Okhotsk

PS8238 Beaufort

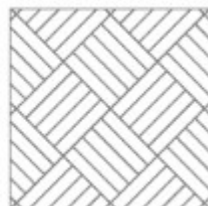

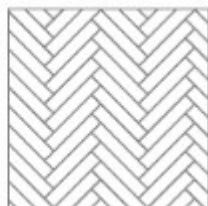

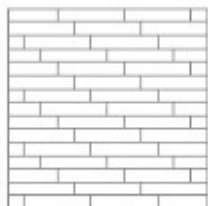

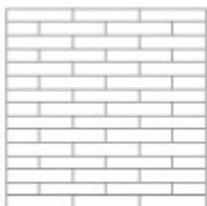

## Specifications

|                 |                                   |
|-----------------|-----------------------------------|
| Construction    | 1/12" Multi Level Loop Pile       |
| Yarn            | Solution Dyed Nylon               |
| Pile Weight     | 18 oz/yd <sup>2</sup>             |
| Pile Height     | 3.5mm ± 0.2mm                     |
| Total Thickness | 6.5mm                             |
| Backing         | Non-Woven Cushion                 |
| Tile Size       | 250 x 1000mm                      |
| Packing         | 20 pcs per box (5m <sup>2</sup> ) |

## Performance

- Solution dyed fibres enable color retention throughout the useful life of the carpet
- Nylon fibres possess good colour fastness properties.
- The nylon yarn are antistatic and can therefore be aptly deployed in work environment where antistatic properties are required.
- The nylon fibres are antimicrobial and antibacterial which inhibit the growth of microorganism such as bacteria and fungi.
- The inherent nylon resistance to moisture absorption permits spills and stains to be quickly removed.

## Recommended Installation Methods
